

Avionics Technician

Bend, Oregon

Are you passionate about aviation, building something with your hands or working on an exciting project for a dynamic, growing company? Epic Aircraft LLC is a manufacturer of high performance single-engine turboprop aircraft based in Bend, Oregon. We are seeking enthusiastic, hardworking candidates to join our fun and growing team. The soon-to-be-certified E1000 will be the fastest, highest performing, most affordable and comfortable, six-place single-engine turboprop in the world.

Position Description:

The Avionics Technician will repair, modify, install, troubleshoot, and perform routine maintenance of all Avionics systems with accuracy and with minimal assistance. Will need to accurately interpret maintenance manuals, service bulletins, wiring diagrams, system schematics, drawings, engineering orders and other documents.

Your Day-to-Day:

- Perform routine maintenance, avionics installations and set up
- Troubleshoot and repair and/or check complex systems
- Properly use Avionics hand tools to perform repairs and installations
- Take immediate corrective action regarding unsafe conditions
- Operate ground support equipment as required
- Other duties as assigned

What You Bring to the Team:

- 3-5 years minimum field experience as an Avionics Tech or A&P with Avionics Exp.
- Knowledgeable with GARMIN installation and set-up preferable. (G1000, G5000, G3X, etc.) but will consider experience with another platform
- Experience with harness making
- Previous employment in either a certified or high performance experimental aircraft desirable
- Knowledge of other aircraft systems e.g. hydraulic, flight controls, etc. and major components.
- Basic knowledge of avionics tooling
- Proficient with using hand tools
- Excellent computer skills
- Ability to follow CADD drawings & electrical schematics
- High level attention to detail.
- Proven ability to troubleshoot basic problems.

EPIC AIRCRAFT JOB POSTING

- High energy level with ability to multi-task while balancing and prioritizing project work with daily responsibilities.
- Reliable and dependable with an excellent attendance and punctuality record.

Why Epic Aircraft:

We are truly passionate about aviation and building an amazing aircraft. You will directly contribute to the success of the soon-to-be-certified E1000. We need people who aren't afraid to work hard, be rewarded and have fun! Benefits include:

- Competitive pay
- Company provided Paid Time Off
- Company Paid Health Benefits
- Seven Paid Holidays
- 401k plan
- Temperature controlled environment
- Advancement opportunities
- Friendly team environment
- Fun company events
