

Tooling Machinist/Fabricator

Bend, Oregon

Are you passionate about aviation, building something with your hands or working on an exciting project for a dynamic, growing company? Epic Aircraft LLC is a manufacturer of high performance single-engine turboprop aircraft based in Bend, Oregon. We are seeking enthusiastic, hardworking candidates to join our fun and growing team. The soon-to-be-certified E1000 will be the fastest, highest performing, most affordable and comfortable, six-place single-engine turboprop in the world.

Position Description:

Responsibilities of the **TOOLING MACHINIST/FABRICATOR** will include the repair, maintenance, and manufacturing of all tooling assets in support of aircraft production.

Your Day-to-Day:

- Fabricate, maintain, repair and modify aircraft tooling fixtures, jigs, and components
- Remove and replace worn drill bushings on drill fixtures and jigs
- Fabricate specialty tooling as needed
- Fabricate new tooling, sometimes without engineering drawings
- Assemble and fit-test new tooling
- Consult with Manufacturing Leads and Tooling Inspector to ensure tooling assets are functional and meet specifications
- Work with metal, fiberglass, and carbon fiber materials
- Perform routine maintenance on machines as required
- Comply with safety regulations and maintain clean and organized work area
- Create detailed records of work completed specific to each job

What You Bring to the Team (Requirements):

- 3-5 years minimum relevant experience
- Proven experience as a machinist; familiarity of production tooling a plus
- Experience using conventional machine tools such as lathes, milling machines, saws, and grinders
- Ability to read and interpret engineering drawings
- Ability to use precision measuring tools, e.g., calipers and micrometers
- Inventiveness and ability to think on the fly
- Ability to adapt to changing priorities at a moment's notice
- Manage multiple projects at once
- Previous experience in aircraft industry preferred
- Welding experience preferred, but not required
- Basic computer skills required

EPIC AIRCRAFT JOB POSTING

- Demonstrate excellent communication, both written and verbal
- Must be a team player and able to collaborate with all production departments on a daily basis

Why Epic Aircraft:

We are truly passionate about aviation and building an amazing aircraft. You will directly contribute to the success of the soon-to-be-certified E1000. We need people who aren't afraid to work hard, be rewarded and have fun!
