

THIS IS EPIC

NEVER COMPROMISE

INTRODUCING THE EPIC E1000.  
EXCEPTIONAL PERFORMANCE, INNOVATION AND COMFORT.

## ELEVATING EXPECTATIONS

The Epic E1000 all carbon fiber, single-engine turboprop elevates the standards of performance, luxury, and comfort in personal aviation. Jet-class speed. Sling-shot acceleration. Impressive cruise range. Certified to FL340. Payload that accommodates six adults and 120 pounds of luggage with full fuel. And major ramp appeal. No compromises required.

## PERFECTION BY DESIGN

The E1000 flight deck is intuitive, engaging, and fun. The all-glass panel masterfully combines ergonomics and avionics, with large-format EFIS displays, advanced situational awareness, and consolidated work flow. The elegant cabin offers ample storage, technologically advanced soundproofing, and extended head and leg room. Expect more. Pay less. Step up to Epic.
