
A&P Shop Mechanic

Bend, Oregon

Are you passionate about aviation, building something with your hands or working on an exciting project for a dynamic, growing company? Epic Flight Support, a subsidiary of Epic Aircraft LLC, is seeking enthusiastic, hardworking candidates to join our fun and growing team.

Position Description:

As part of **Epic Flight Support**, the **A&P SHOP MECHANIC** will maintain, repair, and troubleshoot aircraft airframe and engine to ensure aircraft conformance with FAA regulations. Will also troubleshoot and determine malfunctioning parts and recommend part changes or adjustments to aircraft specifications to improve performance. Will document and maintain paperwork for maintenance according to regulations. As part of the experimental aviation world, the ideal candidate will be able to understand safety of flight issues and correct items that are not directives from a maintenance manual or safety bulletin.

Your Day-to-Day:

- Maintain, repair, and troubleshoot aircraft airframe and engine
- Troubleshoot and determine malfunctioning parts
- Recommend part changes or adjustments to aircraft specifications
- Document and maintain paperwork for maintenance
- Other duties as assigned or required
- Occasional Overtime may be necessary

What You Bring to the Team (Requirements):

- High school diploma and an **FAA Airframe and Powerplant license**
- **Avionics experience** highly desirable
- **3-5 years'** experience
- Able to work autonomously
- Good problem-solving skills and the ability to work well with a team
- Able to follow written and verbal instructions and fill out paperwork as needed
- Experience with **Pratt and Whitney** turbo prop engines is a plus
- Experience with **composite materials** is a plus
- Physically able to lift up to 100 lbs.
- Physically able to bend, twist, and fit in tight and/or uncomfortable places
- Candidate shall not be a foreign national. **US Citizenship or Permanent Resident** (Green Card) is required
