
Dimensional Inspector

Bend, Oregon

Are you passionate about aviation, building something with your hands or working on an exciting project for a dynamic, growing company? Epic Aircraft LLC is a manufacturer of high performance single-engine turboprop aircraft based in Bend, Oregon. We are seeking enthusiastic, hardworking candidates to join our fun and growing team. The soon-to-be-certified E1000 will be the fastest, highest performing, most affordable and comfortable, six-place single-engine turboprop in the world.

Position Description:

As part of the Quality Assurance Department the **DIMENSIONAL INSPECTOR** is responsible for Inspecting parts or materials to meet required visual, dimensional and test requirements of engineering drawings and specifications. Will perform first article inspection and other inspections per specifications. When applicable, will select inspection method, determine test equipment, calibrate test equipment to standards, and evaluate results. Additionally, the Inspector researches, prepares, and signs off various documents for record keeping purposes as required. Will also monitor and maintain test equipment and work area as required. Will work in conjunction with the engineering department.

Your Day-to-Day:

- Inspect parts or materials per specifications
- Perform first article inspections
- Coordinate measuring machine
- Use measuring instruments like depth and bore gauges, calipers and micrometers
- Calibration of tools and equipment and will manage the calibration system

What You Bring to the Team (Requirements):

- 3+ years of experience in **First Article Inspections**
- Prior experience as **Quality Inspector working with machined & composite parts**
- Prefer prior experience using a **Faro Arm or CMM and GD&T.**
- Experience with **coordinate measuring machine** required
- Ability to read and **understand geometric tolerancing and dimensioning**
- Ability to **read blueprints and engineering drawings**
- **Hand tool inspection** skills
- **Composite** experience highly desirable
- Knowledge of **non-destructive testing (NDT) processes** desirable
- Ability to maintain a high degree of quality
- Team work and professionalism a must
- Candidate shall not be a foreign national. **US Citizenship or Permanent Resident (Green Card)** is required
