

Design Engineer II

Bend, Oregon

Are you passionate about aviation, building something with your hands or working on an exciting project for a dynamic, growing company? Epic Aircraft LLC is a manufacturer of high performance single-engine turboprop aircraft based in Bend, Oregon. We are seeking enthusiastic, hardworking candidates to join our fun and growing team. The soon-to-be-certified E1000 will be the fastest, highest performing, most affordable and comfortable, six-place single-engine turboprop in the world.

Position Description:

The Design Engineer will analyze, research, and design components or a system of components to develop or improve Aircraft products while enhancing performance, reducing cost, or facilitating manufacturing operations. The Engineer will create engineering drawings and maintain electronic project design folders. This position requires knowledge of a variety of engineering principles from mechanical, electrical, or other engineering disciplines. The Engineer will perform a variety of tasks related to the certification program of Epic's E1000 Aircraft.

Your Day-to-Day:

- Design, develop and test aircraft parts and components
- Write reports documenting activities and analyses
- Will work in Engineering and in conjunction with other departments to accomplish goals and objectives

What You Bring to the Team (Requirements):

- 4-5 years of experience as a **Design Engineer** preferably **in aviation**, but could be partly in another field
- 2 years minimum **Aerospace experience**
- Experience with **SolidWorks Required**
- SolidWorks Enterprise PDM helpful
- **Mechanical Design Experience** Required
- Bachelor's degree (BS) in Mechanical, Electrical, or Aerospace Engineering
- Strong knowledge of **computer-aided design tools**
- Strong mechanical design aptitude and capability
- Excellent written and verbal communication skills
- Excellent **analytical and problem-solving skills**, high level of accuracy
- Must be **flexible** to adapt to changing requirements
- Ability to work well independently or in a team environment
