## Tooling Technician

**Bend, Oregon**

Are you passionate about aviation, building something with your hands or working on an exciting project for a dynamic, growing company? Epic Aircraft LLC is a manufacturer of high performance single-engine turboprop aircraft based in Bend, Oregon. We are seeking enthusiastic, hardworking candidates to join our fun and growing team. The soon-to-be-certified E1000 will be the fastest, highest performing, most affordable and comfortable, six-place single-engine turboprop in the world.

### **Position Description:**

Responsibilities of the **Tooling Technician** include repair, fabrication, and assembly of various types of composite tooling. Works in a manufacturing environment with a variety of epoxy agents, composite materials, hand tools, and power tools. Works to blueprints, templates, sample parts, and process sheets or other authorized information while maintaining a high degree of quality, team work and professionalism.

**\*This is an entry level position, but all skill levels are encouraged to apply.**

### **Your Day-to-Day:**

- Use power tools such as grinders, cutters, and sanders for shaping or repairing composite tools.
- Mark and cut tape, and woven materials following templates, guides or specific dimensions by hand.
- Lay-up composite materials. Fit and smooth successive layers of materials as necessary to secure build-ups free from wrinkles, air pockets and voids.
- Vacuum bag and consolidate materials for layup.
- Develop shop aids to facilitate fabrication of composite parts.
- Maintain records as required.
- Maintain work area in a clean and orderly condition.

### **What You Bring to the Team (Requirements):**

- High School Diploma or equivalent.
- Working **knowledge of a variety of Hand and Power Tools**
- Basic computer skills
- Familiarity with **detailed blueprints**
- Able to **work as part of a team** to ensure quality standards are met.
- Responsibility for **workmanship and productivity**
- High standards for **following instructions, detailed work, and work quality**
- Self-motivated, **self-disciplined**, organized, and driven.
- Must be able to bend, kneel, stand and move about the facility as needed.
- May be required to lift **up to 50 pounds**.
